You can download the manual,.EXCLUSIVE "American Idol" tapped Charlie Puth as the new judge during the show's Top 5 results show -- and we got a first look at him. Charlie will replace Katy Perry who left the show, and will take over the judging panel next Monday. BTW... the judges at the end of the show were kinda confused by the order of the songs. Kris went first, then Jason followed. Charlie Puth was last, but was also talking to the judges, so he was last to perform, and it just seemed like Jason had a little more time to connect with the audience.Q: How to use a namespace method in application.js in Ruby on Rails? I have this namespace method in my application.js file and I am trying to get the link\_to method to use it. But I'm getting an error and I don't know why. How do I fix this? \$(document).ready(function() { var link\_to = Rails.application.routes.namespaces(action: 'nav') link\_to("Home", '/home' )}); A: Look at
